Hair Care After Rebond Treatment

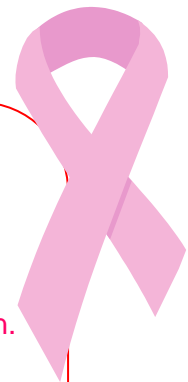

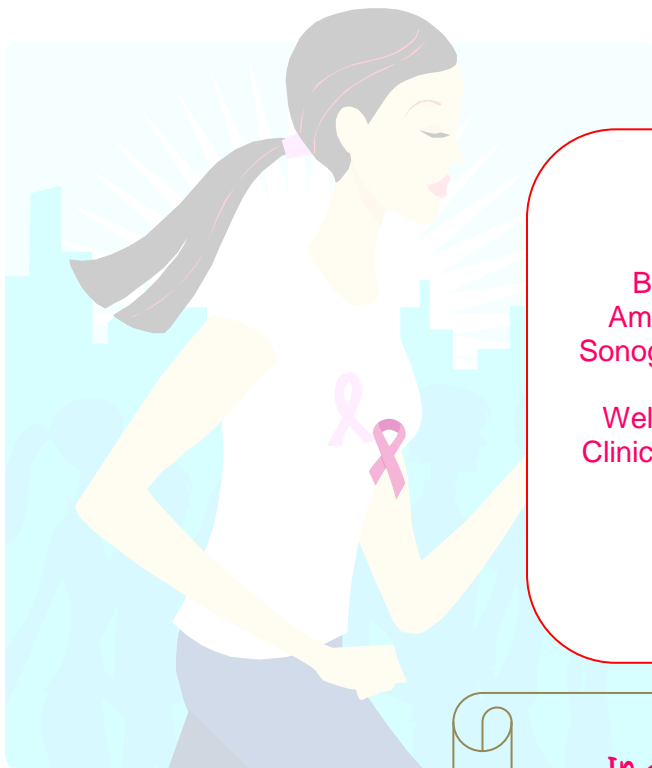

To maintain your beautiful rebonded hair, follow these simple steps.

- Use a shampoo specially formulated for straight hair
- Always use conditioner every time you wash your hair
- After towel drying hair your hair, apply a serum.
- Regularly oil your hair
- If you want to save yourself a trip to the salon, you can use olive oil with an egg as a natural hair mask. Once a week before washing your hair will do the trick.
- Hot oil treatment at home? Wrap a towel dipped in warm water, around your hair. This will deep condition your hair.
- Maintain a balanced diet. Include nuts and sprouts.

Room to Read Morning

Nathalie Nassar, our client with a big heart, is organizing a Mani-Pedi session at Pink. Net proceeds from these sessions will go to "Room to Read" which is a non-profit organization.

For AED 200, feel good to have your Manicure and Spa Pedicure, feel even better for taking the chance to contribute to a lifelong gift of education to another child.

Please email Nathalie through nfnassar@hotmail.com for session's schedule.
